Governor Quinn Announces Food Assistance Now Available for 33 Counties Impacted by Flooding

Disaster SNAP applications available starting Monday, June 17

SPRINGFIELD, Illinois – Governor Pat Quinn today announced that the Illinois Department of Human Services (IDHS) will offer immediate food assistance in 33 counties impacted by flooding beginning Monday, June 17. The USDA's Food and Nutrition Services has authorized IDHS to offer special Disaster Supplemental Nutrition Assistance Program (SNAP) benefits to residents in those counties declared federal disaster areas as a result of flooding in April.

"I have taken every step necessary to ensure that families across the state have the resources they need to recover from these historic floods," Governor Quinn said. "We have gained federal aid for individuals, businesses and governments, but we must also ensure our residents are getting life's daily necessities, including access to food. This assistance will provide all those affected by the flooding with extra benefits to buy groceries and take care of their families."

Individuals may be eligible for Disaster SNAP if they live in specific areas in the affected counties. To qualify, persons must have had damage to home or business, paid disaster-related expenses that were not reimbursed, or loss or reduction of income as a result of the disaster during the period of 4/16/13 through 5/15/13. **Applicants must bring proof of identity, proof of residence in a disaster area prior to the disaster, and any unreimbursed disaster expenses paid during the dates of 4/16/13-5/15/13.**

Disaster SNAP benefits will be provided to families based on total income and assets available to a household during the flood. Non-reimbursed disaster-related expenses are allowed as a deduction from income and assets if verification of the expense is provided. A qualifying one-person household with a monthly net income less than \$1,549 would receive a maximum of \$200 in benefits; a two person family with a monthly income less than \$1,879 would receive a

maximum of \$367 in benefits. Most benefits will be available within five days of the date of application.

Persons receiving regular SNAP benefits that were affected by the flood may also apply for this special program. They may qualify for additional SNAP benefits to bring their benefit level up to the maximum benefit amount for April 2013. Active SNAP recipients that already received the maximum benefit amount for their unit size are not eligible for additional benefits.

Applications will be accepted from June 17 through June 21 from 8:30 a.m. to 4 p.m. To accommodate working families, offices will open at 7:30 a.m. on Tuesday and Thursday (6/18, 6/20). People must apply in person at the designated Disaster SNAP office for their county of residence and complete a paper application. In addition, for some counties, eligibility is limited to residents of certain zip codes (listed below). For more information, residents can call their local IDHS office or visit the IDHS website at www.dhs.state.il.us.

SNAP benefits can be used to purchase food for human consumption, but cannot be used to buy alcoholic drinks, tobacco products or non-food products. Benefits must be used within 90 days.

In accordance with federal law and U.S. Department of Agriculture policy, IDHS is prohibited from discriminating on the basis of race, color, national origin, age, disability, sex, gender identity, religion, reprisal, and where applicable, political beliefs, marital status, familial or parental status, sexual orientation, or all or part of an individual's income is derived from any public assistance program, or protected genetic information in employment or in any program or activity conducted or funded by the department.

Persons committing fraud with SNAP will be disqualified from the program, and may be fined up to \$250,000, receive a prison term of up to 20 years, or both.

Individuals are not required to register with FEMA to apply for DSNAP.

Residents of Cook County are only eligible for Disaster SNAP benefits if they live in one of the following zip codes:
